**PAPERS, PRESENTATIONS AND ARTICLES**

*Consensus Standards Development, Adoption and Implementation in the United States* [Presentation], National Institute of Standards and Technology (NIST) Standards in Trade Workshop on Transportation Management Systems (TMS) and Intelligent Transportation Systems (ITS) Standards, Sao Paulo, Brazil, April 2008

*ITS Device Standards* [Presentation], NIST Standards in Trade Workshop on TMS and ITS Standards, Sao Paulo, Brazil, April 2008

*The Advanced Transportation Controller Application Programming Interface – Closing the Technology Gap* [Paper and Presentation], 2007 Institute of Transportation Engineers (ITE) District 6 Annual Meeting

*Managing Corridors for Emergency Response* [Presentation], 2007 ITE District 6 Annual Meeting

*The Advanced Transportation Controller Application Programming Interface – Closing the Technology Gap* [Paper and Presentation], 2007 ITE District 6 Annual Meeting

*Managing Corridors To Support First Responders* [Presentation], ITS America 2007 Annual Meeting

*Managing Congestion on the Street and in the Cabinet* [Presentation], ITS America 2007 Annual Meeting

*The Advanced Transportation Controller Application Programming Interface – Closing the Technology Gap* [Article], ITE Journal, May 2007

*Deploying ATC Standards: When?, Where?, How?* [Paper and Presentation], 2006 ITE District 6 Annual Meeting  
(Also presented at ITS America 2007 Annual Meeting)

*Advanced Transportation Controller – Application Programming Interface* [Presentation], Transpo Florida 2006, December 2006

*The ATC Application Programming Interface and its Impact on the Operations and Management of Transportation Systems* [Paper and Presentation], ITS World Congress 2005  
(Also presented at ITE 2005 Technical Conference and 2005 ITE District 6 Annual Meeting)

*The Advanced Transportation Controller – Application Programming Interface 2005* [Article], ITE Journal, March 2005

*Leveraging Technologies through the ATC Application Programming Interface* [Paper and Presentation], ITE 2004 Annual Meeting

*2070 and ITS Cabinet* [Presentation], Caltrans Electrical Engineering Workshop 2001

*Advanced Transportation Controller (ATC) Overview* [Presentation], 2000 ITE District 4 Annual Meeting
